Kaappa

Why would you go to a Finnish fashion, furniture and homewares shop in Holland? Because of the great selection, the strong and timeless designs and the expertise of its owner, Lina Simolinna, who scours her Scandinavian homeland to stock this light, spacious shop with a comprehensive and well-edited selection of 'I never knew I needed this but now I must have it' items. Since opening in 2007,

Kaappa has served a loyal and growing clientele with classic Finnish brands, such as Marimekko and Artek, and fashion newcomers including Ivana Helsinki. *Oude Spiegelstraat 6, T 622 4848, kaappa.nl*
